"Jesus is Lord"

New Life Baptist Church is a Southern Baptist Church that stresses the importance of relationships : first, our relationship with our Lord and Savior

Jesus Christ and then, our relationships with one another and the community to which we belong. We believe that rebirth into God's family changes everything; the way we view ourselves; others; God, and our world.

It is our hope that through your sharing in this time of worship in word and song, that your life will have been changed through the power of the One who is able to accomplish all things...."God"
